

Schools Risk Assessment

School	Calcot Infants, Nursery and Junior Schools			
Job, Activity or Task	Covid 19 protective measures in primary schools and early years settings in preparation for a full return in September 2020			
List of Hazards	What are you already doing to lower risks?	Other actions	Action complete	Supporting school docs
Contact with a person who has Covid symptoms	<ul style="list-style-type: none"> Staff and pupils who have COVID-19 symptoms must not attend school until they have completed their isolation period in accordance with current government guidance from symptom onset, or if they receive a negative test and are well. Staff and pupils who have tested positive for coronavirus must not attend school for least 10 days from the start of their symptoms and until their symptoms have resolved; or if asymptomatic, 10 days after their test date and until symptoms have resolved (other than cough or anosmia which can last for several weeks) . If a member of a staff or pupils household tests positive for corona virus they must not attend school until the 14 days self-isolation period is over Staff or pupils who have someone in their family who has symptoms must not attend school until they have had a test and it is negative. Understand the test and trace system https://www.gov.uk/guidance/nhs-test-and-trace-how-it-works If a child in school shows symptoms and is sent home the rest of the children in that bubble/group/group will only be sent home to self-isolate for 14 days after the last contact with the confirmed case if the child subsequently tests positive. Parents will not be informed if another child in the bubble has symptoms, only if there is a positive test result. This is in line with government 	<p>Staff and parents must:</p> <ul style="list-style-type: none"> book a test if they or their child display symptoms Provide details of anyone they or their child has been in close contact with if the result of the test is positive Inform school immediately with the test results so actions can be taken for the school community when necessary <p>School will:</p> <ul style="list-style-type: none"> Seek advice from LA and PHE health protection teams when any positive cases arise in the school community. 		controls you have in place in school		
Contractors	<ul style="list-style-type: none"> Contractors carrying out essential maintenance deemed necessary to the safe running of the school should be allowed on site and must be informed of your covid secure measures and comply with good hygiene. Staff and contractors are to maintain a safe distance between themselves and others (2 metres) and wear face masks if entering the building or getting closer than 2 metres to anyone at the school – but must maintain a minimum of one metre. All contractors are to wash their hands upon entering the site. Strict hygiene rules to be implemented, all contractors are to be asked to do the following: <ul style="list-style-type: none"> Wash hands on entry into individual work areas – or use alcohol-based hand sanitiser. Repeat the hand washing/sanitising every hour. Site inductions are to be carried out following social distancing principles (2m separation). The contractor to be shown to the work area/s and ideally supervised. Contractors must only access the area/s of work as shown. Contractor to request permission if access to other areas is required. All areas accessed by contractors should be thoroughly cleaned. 	<p>Update the contractors check list to include the school precautions.</p> <p>School precautions and added expectations of contractors will be discussed prior to their arrival onsite. Contractors will be expected to wear facemasks on site.</p> <p>Where contractors may now be lone working they will be supervised when necessary by the site manager.</p>	Ongoing	
Weather	<ul style="list-style-type: none"> All persons to dress appropriately for the weather. Facilities are provided to shelter from the elements. 	<p>Children and staff will be wearing clothing appropriate for all activities during the school day so they will not need to change.</p> <p>Children will bring in their own suncream and apply themselves if necessary. Infant children will need to have suncream applied</p>	Ongoing

- Sponsors will be Heads of Service, Line Managers, Head Teachers or Heads of School Department.
- Risk Assessment reviews to be carried out after any associated accident, near miss; significant change or annually.
- Consider if training maybe required for any of the hazards identified above.

Schools Risk Assessment

		<p>by parents before arriving at school if they need support to apply.</p> <p>Staff will be aware of time spent outside in the sun and ensure children wear sunhats.</p> <p>Outside breaks can be in their indoor spaces if necessary.</p> <p>Parents will be advised that school will not be able to apply sun cream and spare clothing/hats will not be available.</p>		
Lack of awareness	<ul style="list-style-type: none"> Posters will be displayed in the welfare areas and in suitable places around site. “Toolbox talks” will be carried out for all staff on site, warning them of the risks posed by the virus as well as the control measures outlined in this assessment and from government guidance. This will include informing personnel of the known symptoms. 	<p>Posters will be displayed in all areas to raise awareness of all those accessing site. Teachers will receive adequate information regarding procedures and the necessity of these and they will ensure they have a good understanding of this.</p> <p>We will be using social stories with children as necessary.</p> <p>The school behaviour policy and home/school agreement have been revised and communicated to parents to ensure appropriate behaviour on site.</p>	Ongoing	
Hand sanitiser	<ul style="list-style-type: none"> To be effective on viruses hand sanitiser must be a minimum of 60% alcohol. When used, hand sanitiser should be allowed to dry or evaporate before touching your face, nose or eyes or other surfaces. Do not use near heat sources. Note: it is preferable to use soap and water before resorting to hand sanitizer. Hand sanitiser must be stored in accordance with the manufacturer’s instructions 	<p>Staff will be made aware of the risks associated with hand gel and it will be stored appropriately.</p> <p>Children will be supervised using hand gel, and when children are not allowed to use this (eg Muslims) they will provide an alternative or wash hands instead.</p>	Ongoing
