1	September 2007	No change
1	May 2014	No change
1	October 2018	No change
1	September 2021	No change

3. Website History

Version	Date on website
1	September 2021

Accessibility Plan For The Calcot Schools

At the present time All Able-Bodied Persons can gain access to all parts of the school, with no obstructions. However, if a Disabled Person were to need access to any part of the school, this would not be possible as the school is situated on an incline with different levels, and in every case from each exterior entry there are a number of steps.

The Local Authority has been made aware of this in an Annual Report.
