

Up we go, around stop. Back around the apple and up and down the leaf.	Up we go to the top of the boot, down to the heel and up and around the toe.	Up we go, around stop. Curl around the caterpillar.	Up we go, around stop. Around the dinosaur's bottom, up to his head and down to his feet.	Up we go, lift off the top and scoop out the egg.	Up we go, around the petal stop, down the stem and draw the leaf.	Up we go, around stop. Around the girl's face, down her hair and give her a curl.
						
Up we go to the horse's head. Down to the hooves and over his back.	Up we go, down the insect and off we go. Dot for the head.	Up we go to Jack's head, down his body, curl and dot for his head.	Up we go to the kangaroo's head. Down his body, over his tummy and down his tail.	Up we go to the hip and down the long leg.	Up we go and straight back down. Up and over the mountain, up and over the mountain.	Up we go, down the net and up and over.
						
Up we go, around stop. All the way around the orange.	Up we go to the top of the parrot, down the tail, up and over the pirate.	Up we go, around stop. Around the Queen's face, up to her crown and down her hair.	Up we go to the robot's head, down to his wheels and up and over his arm.	Up we go, around stop. All the way down the slippery snake.	Up we go to the top of the tower. Down the tower off. Across the tower.	Up we go, down and around the umbrella to the top. Down and flick.
						
Up we go, down the wing and up the wing.	Up we go, down the worm, up the worm, down the worm, up the worm.	Up we go, down the arm and leg, off, down the other arm and leg.	Up we go to the top of the horn. Down the horn, up the horn and under the head.	Up we go, zig, zag, zig.
