

Under 2's Messy Play

Every Thursday Term Time only

**1.00-2.00pm at the Beansheaf
Community Centre**

Little ones can explore a variety of sensory and creative activities designed to support their early development, curiosity, and imagination in a safe and welcoming environment.

From painting and water play to texture exploration and sensory trays, children are encouraged to learn through hands-on play while developing their communication, physical, and social skills. Parents and carers can enjoy spending quality time with their child, meeting other families, and sharing experiences in a relaxed and friendly setting.
