Outstanding Levels of care!

5-7 year olds

Whether it's their first time on camp or not, children are given the confidence to make new friends with a mixture of age appropriate games, activities and creative sessions, that will fill their day with endless FUN!

8-9 year olds

As children grow so does their enthusiasm to try NEW activities and experiences like Archery and Fencing! Children will also enjoy engaging in team challenges and making choices through child/leader led games.

10 + year olds

We encourage leadership on camp through group captains and child led games, in which they make the rules. Themed games and craft sessions give children the chance to bring their interests to life on camp!
