Wasing Estate, one of the UK's most picturesque rural estates, is delighted to announce the return of its annual '**Pumpkins & Woodland Trail**' event this autumn, open on selected dates from **16th-31st October**. This charming seasonal experience offers families the perfect opportunity to embrace the beauty of autumn,

right on their doorstep, with enchanting woodland trails, delicious seasonal treats and stunning countryside views - so get your wellies ready!

Nestled in the heart of Berkshire, Wasing Estate invites visitors to explore its **magical woodland trail**, thoughtfully designed for little ones and filled with plenty of **picture-perfect moments** for the whole family. Spot **woodland creatures** inspired by those found on the estate, visit the peaceful area of reflection to make a wish at the **wishing well** and **light a candle** for a loved one, before exploring the mysterious **Witch's Apothecary**.

Leafy pathways lead to Wasing's rustic pumpkin patch, where a **charming fairytale pumpkin carriage** awaits. After enjoying the scenic trail with plenty to spot along the way, guests can make their way to the pumpkin field - wheelbarrow in hand! - to pick their perfect pumpkin.

Once the pumpkin-picking is done, visitors can head to the cosy stretch tent to choose from a wide selection of **specialty pumpkins** to complement their Jack O'Lantern, before tucking into delicious seasonal treats. From Wasing organic beef pasties and sausage rolls to warming pumpkin soup, the menu showcases the very best of Wasing's **estate-to-plate ethos**, using organic beef reared on the estate. Crêpes, doughnuts and pizzas will also be on offer - the perfect way to round off an autumnal day out before heading home to carve their perfect pumpkin.

Faith Knight, Head of Communications at Wasing, says:

"We're delighted to welcome visitors back to Wasing this October for the sixth year of our Pumpkin event. It's become a much-loved autumn tradition for local families, and we love seeing visitors return each year to enjoy the beauty of the estate, pick their perfect pumpkin and create special memories in nature"

Rooted in Wasing's ethos of **Deep Connection** – to self, to one another and to the natural world – this much-loved event invites families to slow down, reconnect and create lasting memories in the heart of nature. Fresh from being named the **UK's Most Desirable Venue** by Bridebook, Wasing has become *the* destination for meaningful experiences in nature, offering memorable moments that celebrate the beauty of the estate throughout the seasons.
